FEDERAL AGENTS RAID HUN PAPER; FOUR JAILED

(Associated Press by U. S. Naval Communication Service) PHILADELPHIA, Pa., Sept. 11.—Acting on presidential warrants, federal agents yesterday raided the office of the Philadelphia Tagesblatt, one of the German language publications of the city, and placed the responsible members of the editorial staff under arrest. The warrants were sworn out under the Espionage Act and accuse the owners and editors of the Tagesblatt with having carried on a campaign against the military program of the administration for the past several months.

Those arrested include the editor, the chief editorial writer, the president of the company and its treasurer. The raiders seized the correspondence in the office, the files of the paper and a mass of documents. These are confiscated.

TORPEDOED OIL TANKER TAKES DIVER WITH HER

(Associated Press by U. S. Naval Communication Service) AN ATLANTIC SEAPORT, Sept. 11.—After playing hide and seek with an American tanker, a Hun submarine finally sank its prey, but was itself sunk. This is the report brought here yesterday by the crew of the tanker, who told of their experiences last night.

According to the story told by the crew of the tanker the submarine hid behind a schooner until the tanker had passed and then from its vantage point came out and made its attack. It finally sent home a torpedo, but before the stricken oil ship sank her gunners had replied to the attack with such an accurate fire that the pest was sunk and went down even in advance of its own victim.

SENATE PASSES WAR TAX BILL; 4 VOTED AGAINST

(Associated Press by U. S. Naval Communication Service) WASHINGTON, D. C., Sept. 11.—With but four dissenting votes, after weeks of prolonged and tedious debate, the largest single measure for taxation, the war revenue tax bill, passed the United States senate yesterday. It will now go back to the house.

In the war revenue tax bill as it has passed the senate there is provided a levy which is expected to raise a sum somewhat under \$2,400,000,000. The bill which passed the house provided a levy of \$1,687,087,000.

(Associated Press by U. S. Naval Communication Service) PIERRE, S. D., Sept. 11.—State officials are moving to present the holding of a meeting of the "People's Council of the Democracy of Peace" which has been announced to be held in Sioux Falls next Friday. The state sheriff last evening telegraphed to the sheriff of Minnehaha county that he looked to him to prevent the holding of the proposed meeting or council and that he shall at once make the requisite preparations to do so. He instructed him to swear in as large a force of deputies as he may require to meet the situation.

Returns from the local option election which was held yesterday show that a large majority was cast against booze.

FOOD BOARD PLANS TO CUT BREAD PRICE

(Associated Press by U. S. Naval Communication Service) WASHINGTON, D. C., Sept. 11.—Plans to reduce the cost of bread were announced by the food commission last night. It is its purpose to establish standardized sizes of loaves, one of 16 ounces and the other of 14 ounces. It would then have the bakers of the country sell the larger size for 6 cents and the smaller for 5 cents.

As an aid to the efforts of the commission comes the report from Minneapolis that there was a drop of 50 cents a barrel in the wholesale cost of flour with the announcement of the government's prediction on the next wheat crop.

While the food commission is exerting its efforts to reduce the cost of the loaf of bread, farmers of Minnesota and North Dakota, especially the latter, who are credited as being the leaders of the movement, are seeking to nullify the efforts of the commission. They expect to hold a mass meeting in St. Paul next Sunday for the purpose of protesting against the price which the committee on wheat prices determined upon and which the president sanctioned and approved.

It is said that the plans which will be undertaken at the St. Paul meeting by the wheat growers will seek a review of the work of the price fixing committee and the withdrawal of the regulations of the commission which were framed with the design of preventing the hoarding of wheat.

The department if justice is watching the preparations for this meeting and making preparations to suppress it and to cause arrests if the conditions shall demand such drastic action.

GEN. SCOTT ANXIOUS TO STAY ON ACTIVE LIST

(Associated Press by U. S. Naval Communication Service) WASHINGTON, D. C., Sept. 11.—Maj.-Gen. Hugh L. Scott, chief of staff, who ordinarily would retire this month, being sixty-four years old on September 22, is anxious for active service and there is speculation in army circles here as to whether he will be retained as chief of staff, given an active command or retired. Secretary of War Baker is silent as to what plans for the veteran general he may have in mind.

Maj. Gen. Tasker H. Bliss, now in the office of the chief of staff, is in line to succeed General Scott in the event of the decision of Secretary Baker not to retain him as chief adviser.

PAINLEVE TO FORM NEW FRENCH MINISTRY

(Associated Press by U. S. Naval Communication Service) PARIS, France, Sept. 11.—Following the reconsideration of Ribot of his acceptance to form the new ministry and his final determination to decline the duty, Minister of War Painleve was requested to do so and has accepted the task.

In an interview last night the present minister of war declared that it was his intention that the new ministry will not be representative of the political parties but he plans to form a government of national unity, bending all the strength of the nation to an increasingly energetic and vigorous conduct of the war.
